Since 2004, we have been providing discerning travelers with an exceptional experience at all their favorite events worldwide. To accomplish this, we make a significant investment, years in advance of the events, which includes visiting the destinations, inspecting the finest hotels, establishing the right local partnerships, and exploring everything the destination has to offer, from restaurants to the most unique tours, all to establish an exceptional experience for our clients.

The result is a completely customized experience using distinctive accommodations, premium tickets to the events of your choice, private transportation, bespoke tours and excursions, pre-trip planning, concierge services, and more. Our team of Experience Specialists take a consultative approach to personalize and enhance your trip so you can relax and indulge yourself in the special moments that will turn into lasting memories.

Whether you are an avid fan or a company seeking to entertain and reward clients and employees, our extensive sports and entertainment travel experiences, coupled with our high-touch and personalized approach to service, enable us to deliver the "Wow Factor" at every event.

Ticket Categories

FIFA has designated seating at each stadium into 4 separate seating categories (Category 1, 2, 3 and 4), but the position of each category may vary by stadium.

Please note that because these designations can be very broad, On Point Events has decided to subdivide the seating categories as follows:

Category 1	Generally located in the straight section between the two goal lines in the upper or lower level.
Category 2	Generally located in the corners of the stadium, either upper or lower level
Category 3	Generally located on the ends behind the goals, upper or lower level.
Category 4	Entry level seating to the event. Generally located behind the goals in the upper level.

“From the start of the planning process to the willingness to completely meet our special requests, On Point was professional and a pleasure to work with throughout.
