Ticket Categories

FIFA has designated seating at each stadium into 4 separate seating categories (Category 1, 2, 3 and 4), but the position of each category may vary by stadium.

Please note that because these designations can be very broad, On Point Events has decided to subdivide the seating categories as follows:

Category 1	Generally located in the straight section between the two goal lines in the upper or lower level.
Category 2	Generally located in the corners of the stadium, either upper or lower level
Category 3	Generally located on the ends behind the goals, upper or lower level.
Category 4	Entry level seating to the event. Generally located behind the goals in the upper level.

“From the start of the planning process to the willingness to completely meet our special requests, On Point was professional and a pleasure to work with throughout.

Qatar Experiences

Corniche Tour

A seven-kilometer long waterfront, palm-fringed promenade which stretches for the entire length of Doha Bay, the Corniche offers spectacular views of the city, from the dramatic high-rise towers of the central business district to the bold shapes of the Museum of Islamic Art and traditional wooden sailing vessels lining the bay echo Qatar's great seafaring past. The Corniche provides a green, vehicle-free pedestrian space in the heart of the capital with cafes, restaurants, outdoor exercise facilities, and a running track.

Cultural Tour

Visit the Sheikh Faisal bin Qassim Al Thani Museum to learn about the rich cultural and archaeological past and heritage of the Arab and Islamic world. From cars to carpets, it has it all. Afterwards, visit Katara Culture Village also named as the Valley of Cultures; step back in time to experience the history and heritage of Qatar; a maze of tiny, cobbled alleys reminiscent of a medieval souq. Make your way to the Msheireb Museum to learn more about Qatar's history and the start of their oil industry. Next is Al Zubarah, a UNESCO World Heritage site. Finish with a tour of the magnificent Katara Mosque.

Qatar Experiences

The Pearl Tour

Known as “The Most Glamorous Address in the Middle East”, the Pearl is a man-made island off the West Bay coast featuring Mediterranean-style yacht-lined marinas, upmarket residential towers, villas and internationally renowned hotels, as well as luxury shopping at top brand name boutiques and showrooms. A popular dining spot with dozens of restaurants, its waterfront promenades are lined with cafes and restaurants serving every delight. The Pearl is a popular visitor attraction by virtue of its chic elegance, outdoor atmosphere, and al fresco dining.

Dune Bashing

Your driver and guide will take you south along Qatar’s coast in a private climate-controlled 4x4 vehicle. Pass oil fields and towns, then head off-road into the deserts that frame Qatar’s border with Saudi Arabia. Set off on an exciting dune bash. Carve up huge dunes and slide down the sheer drops sideways as your driver deftly spins the wheel. Continue across desert to the Khor Al Adaid Inland Sea, a vast expanse of turquoise water that forms a natural border with Saudi. Admire this stunning UNESCO-listed body of water before traveling to one of just 3 places in the world where the desert runs into beaches. By the beach we’ll have a camp set up with snacks before heading back to Doha.

Qatar Experiences

Desert Camel Safari

A camel is considered as an “Old Rolls Royce of the Desert”. Experience the mesmerizing golden sand dunes on these gentle creatures and take in the beauty on the comfort of a camel. The safari will take you to a Bedouin camp, the early nomad’s camp, where you can see how they lived in the desert. At the site, you can sip Arabian tea and indulge in fresh dates and shisha while a belly dancer gives a private performance.

Traditional Market Tour

A stroll down the bustling alleys of Souq Waqif provides an authentic taste of traditional commerce and culture. The maze of small shops offer a dazzling array of Middle Eastern merchandise from spices and seasonal delicacies to perfumes, ornate jewelry, clothing, and crafts. Traditional music, art, and cultural shows add to the ambience of this special spot. Relax and soak up the vitality and atmosphere at one of its eclectic mix of great restaurants and cafes which offer traditional Qatari food as well as regional dishes and treats from Asia and North Africa.

Qatar Experiences

Falconry Experience

Falconry is more than just a popular pastime in Qatar – it's a national obsession. The Bedouins (the nomadic people of the Arab desert) trained the falcons to hunt other animals in the desert. Learn about the art of training falcons to hunt in cooperation with humans. This "falconry experience" is a 5000-year-old tradition, that has spanned beyond a means of survival to a sport.

Camel Racing Rendezvous

Camel racing is a Qatari tradition steeped in history – it's known as the "Sport of Sheikhs". Traditional as it might be, the sport has changed significantly. Jockeys are now tiny humanoid robots dressed up in classic racing silks, linked to their trainers by way of a walkie-talkie. Trainers drive alongside the oval racetrack in a fleet of white SUVs, keeping pace with their animals and an eye on any rogue runners that look to be edging towards the front. Spectators can also get in on the thrill, driving alongside the trainers to get the best view of the action as the camels pound their gangly legs against the ground in an awkward yet enchanting race to the finish.
